Experience:

Fourteen months (14) working as a teacher where I oversaw several aspects of management. This includes but is not limited to:

Firstly, planning, preparing, and executing various curricula for students from first to fifth form as set out by the Ministry of Education.

Secondly, ensure daily and weekly records are kept and updated

promptly.

Lastly, recommendations should be made as to changes that will affect the maximum utilization of the curriculum.

Worked for the past fourteen years as a professional policeman in various regions and departments where I was tasked to supervise hundreds of ranks, prepare payrolls and payment of salaries, supervise station Sergeants in the correct management and procedures when accounting for Government monies, ensure that reports are handled promptly, carryout multiple training programs for ranks in various disciplines to ensure that they meet the criteria to become well rounded and efficient policemen and policewomen. Ensuring that matters are investigated thoroughly and presented before the relevant authorities for adjudication. Ensuring that the chain of command is maintained for the smooth flow of information. Carry out covert and executive protections for senior government officials and other VIPs. Communicative Police Officers are successful at developing positive relationships with colleagues and citizens. Approaches each situation with alertness, compassion, and concern. Continually followed procedures to maintain safety, and documentation and meet legal requirements, with over fourteen years of service enforcing rules and authority for the good of all citizens I am passionate about saving lives, protecting victims, and fighting crime. Excellent record of promotion and recognition for going beyond the call of duty. Additionally, I am a resourceful Police Officer focused on maintaining order and public safety, responding to emergencies, protecting people and property, and promoting positive community relations. Detail-oriented team player with strong organizational skills. Ability to handle multiple projects simultaneously with a high degree of accuracy.
